First Named Inventor: Katherine A. Brown

Case No.: 59409US002

Title: A Durable Radio Frequency Identification Label And

Methods Of Manufacturing The Same

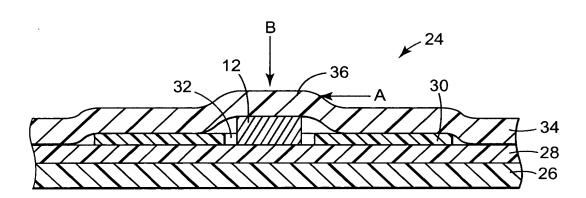

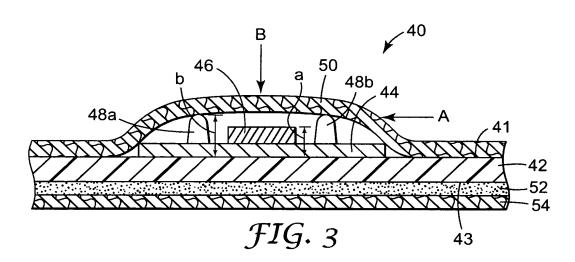

FIG. 2 PRIOR ART

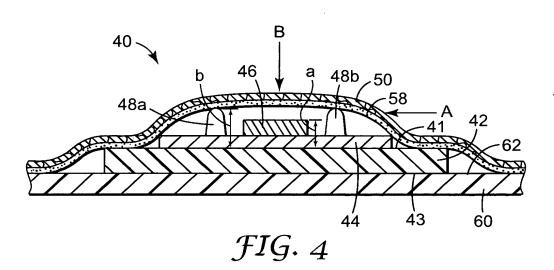

First Named Inventor: Katherine A. Brown

Case No.: 59409US002

Title: A Durable Radio Frequency Identification Label And Method

Of Manufacturing The Same

First Named Inventor: Katherine A. Brown Case No.: 59409US002

Title: A Durable Radio Frequency Identification Label And Method Of Manufacturing The Same

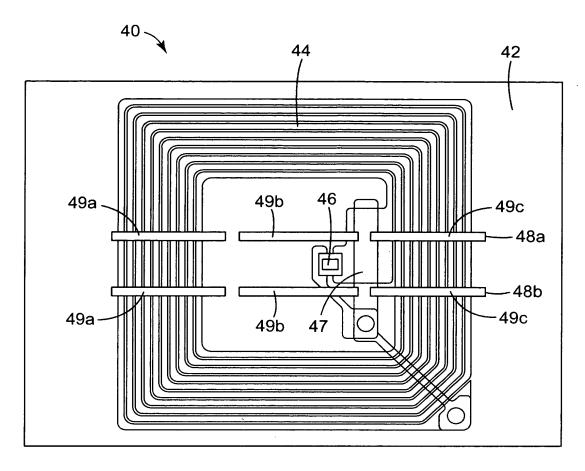

FIG. 5

First Named Inventor: Katherine A. Brown Case No.: 59409US002

Title: A Durable Radio Frequency Identification Label And Methods Of Manufacturing The Same

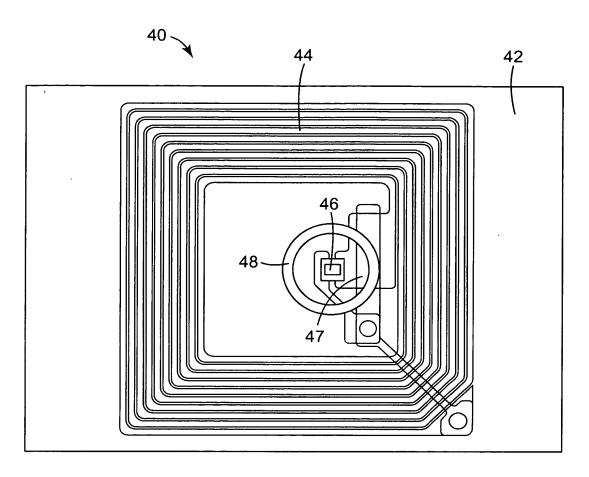

FIG. 6

First Named Inventor: Katherine A. Brown Case No.: 59409US002

Title: A Durable Radio Frequency Identification Label And Method Of Manufacturing The Same

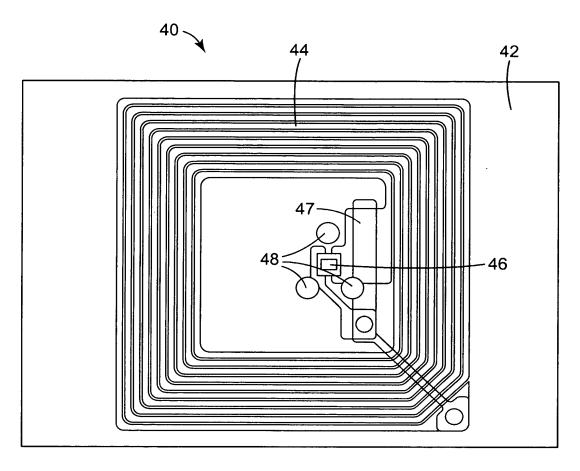

FIG. 7

First Named Inventor: Katherine A. Brown

Case No.: 59409US002

Title: A Durable Radio Frequency Identification Label And

Methods Of Manufacturing The Same
